**AVS/021/WBK1**  
AV/VC One - Wall Brace Kit

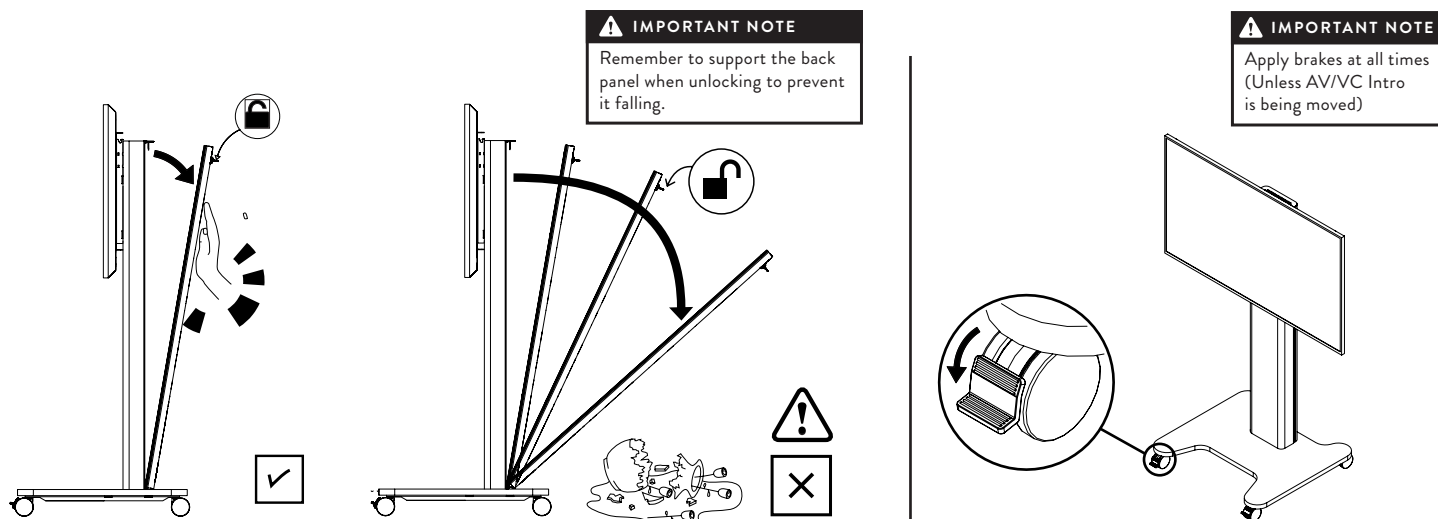

**AVS/021/GL1**  
AV/VC One - Adjustable Glide Feet

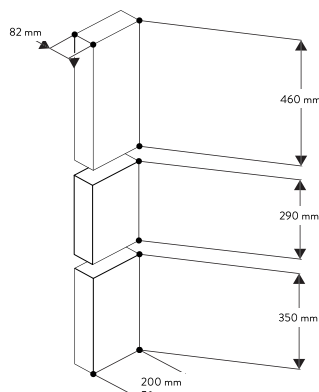

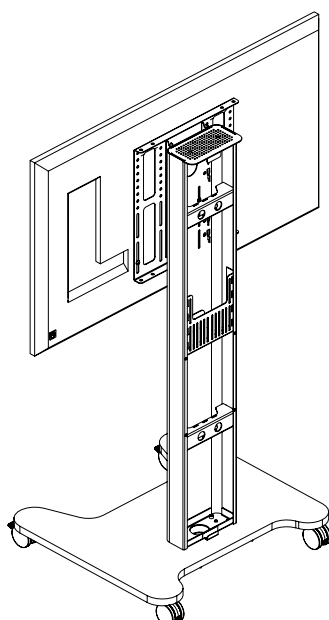

## Some important precautions

## Some important precautions

### INTERNAL EQUIPMENT SPACE

### ⚠ IMPORTANT

- Maximum screen size to be mounted: Single screen installation: 80" max size. 60kg (132lbs) max weight.
- It is recommended that screens are removed before moving the AV/VC Intro unit.

### ⚠ WARNING

- Do not install screens/displays heavier than 60kg/132lb.
- Use with products heavier than the maximum weights indicated may result in instability causing possible injury.
- Correct installation is essential to safe and reliable operation of the AV/VC Intro product and falls outside the scope of responsibility of Colebrook Bosson Saunders. Please follow assembly instructions carefully.
- Do not use this product for any purpose other than that for which it was designed.
- Ensure that floor or wall surface is strong enough to support the weight of the fully-loaded AV/VC Intro and that the floor surface is flat and level.
- Do not install AV/VC Intro outdoors or in environments where it will be directly exposed to moisture or high winds.
- Follow the manufacturer's guidance for mounting of screens, displays and other equipment.
  - Please take care to avoid trapping fingers when installing or adjusting the product.

### ⚠ ELECTRICAL SAFETY

- Safe installation of electrical equipment is the responsibility of the installer.
- Colebrook Bosson Saunders recommends that only double-insulated electrical equipment and cables are installed in AV/VC Intro unit.

### ⚠ MAINTENANCE AND INSPECTION

- Ensure all screws and fixings are fully tightened and occasionally re-tighten if necessary.
- Clean with a damp cloth. DO NOT use solvents.

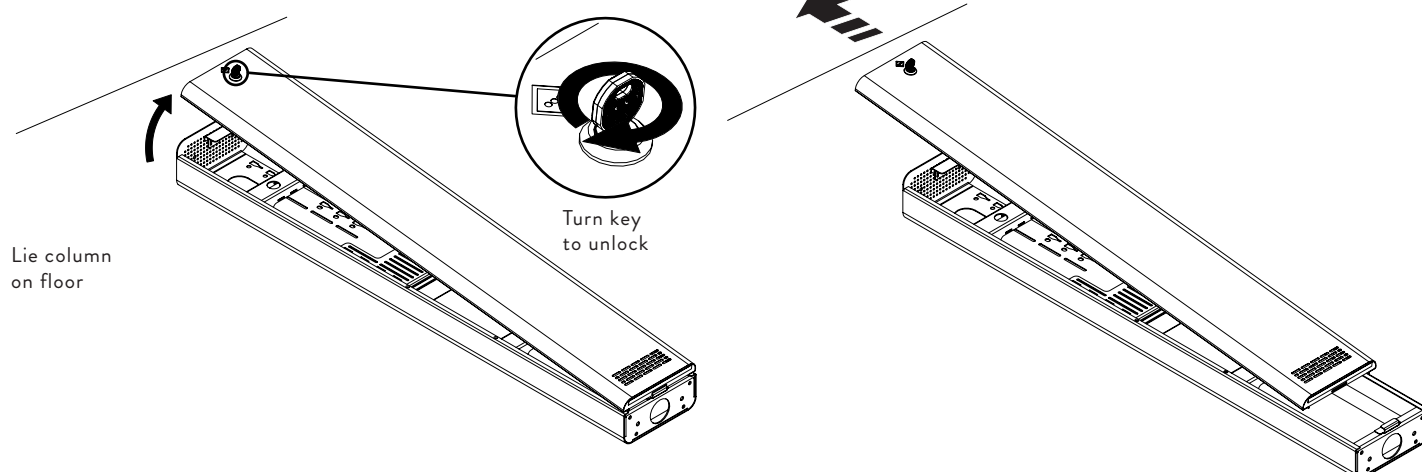

### ⚠ DISCLAIMER

As part of Colebrook Bosson Saunders ongoing product improvement programme, the design of products may change without prior notice and details may vary from those illustrated.

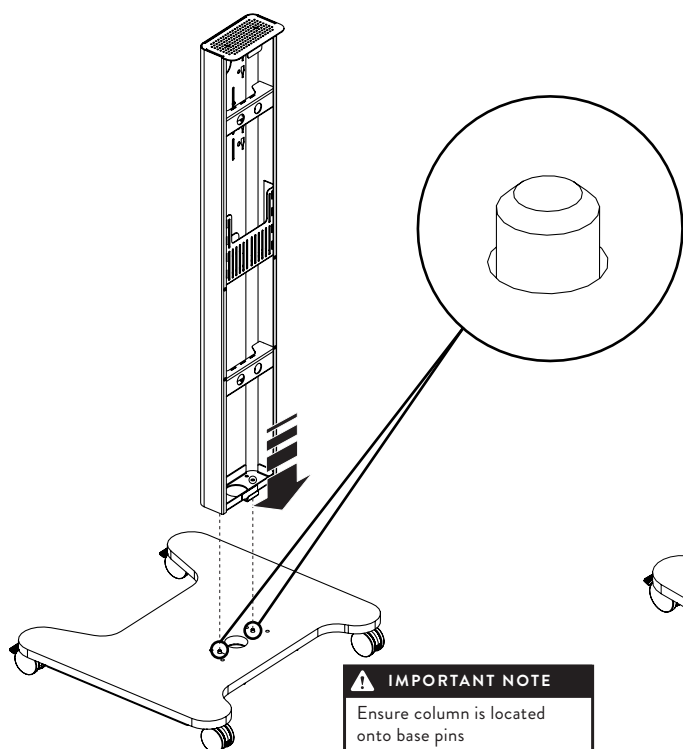

### PATENTS

Colebrook Bosson Saunders hold a number of patents and other intellectual property rights covering our products and processes. You can find patent information on our website at: [www.colebrookbossonsaunders.com/patents](http://www.colebrookbossonsaunders.com/patents)
